Pushing Capital LLC

Reusable onboarding and compliance template generated for DocuSign provisioning.

USER/CLIENT AUTHORIZATION, WRITTEN INSTRUCTIONS,
LIMITED CONFIDENTIALITY TERMS, AND ELECTRONIC SIGNATURE CONSENT

I, _____ ("User"), residing at

_____,

authorize Pushing Capital, LLC, together with its officers, employees, designated contractors, and lawful subagents ("Authorized Company Parties"), to act for the limited purposes stated below.

1. Authorized Purpose.

This authorization is given solely for:

(a) data-security monitoring;

(b) fraud prevention and identity verification;

(c) vehicle title, registration, renewal, release, and related DMV support;

(d) compliance review;

(e) document processing and administration;

(f) monitoring and reviewing records that I specifically authorize in writing.

2. Authorized Information.

Subject to applicable law and agency/institution requirements, I authorize the Authorized Company Parties to request, obtain, inspect, receive, review, use, and maintain records relating to:

- my identity and contact information;
- vehicle, title, registration, lien, plate, and DMV-related records;
- credit or consumer-report information;
- financial-account-related documents or statements that I separately provide or authorize;
- tax-information authorizations and related IRS correspondence;
- and supporting records reasonably necessary to carry out the Authorized Purpose.

3. Written Instructions for Consumer/Credit Information.

I instruct any consumer reporting agency or other lawful source to furnish my consumer report and/or credit-related information to Company for the Authorized Purpose, to the extent permitted by law, no more than _____ times per calendar month, unless additional access is reasonably necessary to:

(a) investigate suspected fraud or misuse;

(b) complete a transaction I requested or authorized;

(c) respond to a legal, regulatory, or agency requirement; or

(d) correct or verify information I submitted.

4. IRS Matters.

I understand and agree that if Company needs access to my IRS tax information, I will execute IRS Form 8821, and if actual representation before the IRS is needed, I will execute IRS Form 2848 designating an eligible individual. I acknowledge that this agreement alone does not replace those IRS forms.

5. Confidentiality and Limited Use.

Company shall use my information only for the Authorized Purpose and shall limit access to personnel with a business need to know. Company shall not sell my information or use it for unrelated purposes. Where agency rules impose stricter limits on retention, storage, destruction, or redisclosure, those stricter limits will control.

6. Electronic Records and Signatures.

I consent to the use of electronic records, electronic signatures, and electronic delivery, including through DocuSign or a similar platform. I agree that my electronic signature is intended to be binding to the same extent as my handwritten signature, to the extent permitted by law.

7. Term.

This authorization begins on _____ and remains in effect until:

☐ revoked in writing by me;

☐ _____;

provided, however, that Company may complete work already in progress and retain records as required by law.

8. Revocation.

I may revoke this authorization by written notice to Company, but the revocation will not affect actions already taken in reliance on this authorization before Company receives the revocation.
